Dear Parminder,

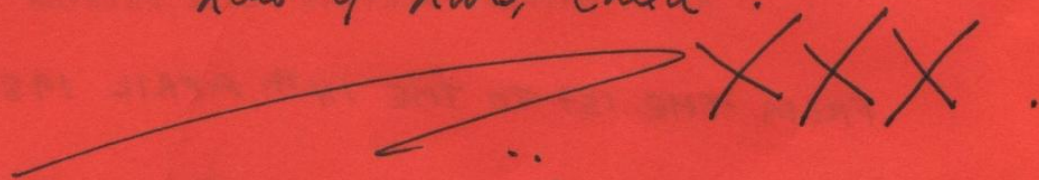

I heard what happened at EMU. —

I hope you are in the Best of Health

We must get together sometime — when you are
free Thinking about you o o o o o .

Hope you can come to the Exhibition .

Lots of Love, Chila .

P.S. Please could you tell me when I can be
on the Visual Arts Committee (Panel). As we
said it is important that more Asian Women
are involved .
