Dear Parminder,

I am writing to invite you and your colleague, Praveen Bahl, to speak at the launch of a **new Black Arts Forum** in Tower Hamlets on Sunday afternoon (2 - 5 pm) 2nd March, at the Whitechapel Gallery.

I feel it would be useful if you explained briefly how the G.L.C. succeeded in prioritising Black Arts and the results across London for black artists and the black communities, ending up on how people in Tower Hamlets could go forward.

I enclose the information to be used in the publicity material and an outline of the programme, plus a copy of the report to be used by MAAS/London Forum of Ethnic Arts Officers in its report to be launched shortly at a public conference.

I would be grateful if you could let me know as soon as possible whether or not you are prepared to accept the invitation, and the fee involved.

I look forward to hearing from you.

Yours sincerely,

Shweta
