Dear Parminder

Thank you for being so helpful at our meeting on 16 December and for sending all the information in your letter of 19 December. I am still looking forward to receiving the policy papers prepared by the Black Visual Arts Forum last year.

I do agree with you that our best way forward is to convene a meeting with Black Photographers later this month or early in February so that they may be able to participate in the defining of a brief for our researcher. I am happy to arrange such a meeting but will consult you about a suitable date and venue, as I would welcome your participation.

With best wishes for 1986,

Yours sincerely

Barry Lane
Photography Officer
