Dear Parminder,

I hope you are in the best of health and all things well.

I have tried contacting you since Monday but just haven't been able to get hold of you. - What I have to say is that the woman who's helping me with my contacts to India wasn't free until Thursday, which meant that it wouldn't be complete! —

- However all the rest is expanded on and broadening as you said

Parminder I tried contacting you at the weekend and during the week, and I am

really sorry for causing you any inconvenience in your work.

I'm leaving for L'Pool tonight (P.S. you're welcome to meet my parents anytime!) and so will ~~be~~ back on the 28th.

!!!!!! With Best Wishes !!!!!!

Have a great Easter ☺ and a good break, sure you need it, with much love

(P.S. Thanks lots for lunch, I'm sorry wasn't with it that day, was extremely warm at.)

+ kisses
Chloe

My Dear Parminder,

I hope you are keeping well
and in the best of health, and
that generally everything is okay.

Apologies for not meeting you
for lunch, but I fell ill again
with this Pelvic Inflammatory Disease
and I caught chills, fever, and so
on. Feeling a bit better now.

Acha, now the I.C.A sent me
a letter to you, very strange.
Sorry had to open it, but it
was addressed and named to me.

Look forward to seeing you
soon, and spend a relaxing day
together, when we both get time!!!
Hi!! Hi!!

Well, acha, lots of love and
pyar, and much more,

All my Love, + Take Care
Bhenji, Chila xxx ~~xxx~~.

P.S. Let's not feel guilty about not
being in touch coz we're both very,
very busy, women!

Also. P.S. It's been suggested to me that
I apply for this new Assistant
Director of Visual Arts, but I
really want to get on with some
practical, visual art. So don't
recommend at this moment, but
you could recommend me for
the selection panel, as there are no
black women artists and also for
curating. Thankyou..
