TO: BLACK DANCE FORUM

Further to our meeting held on Monday 17th March, I am writing to confirm the agreement that the Black Dance Forum will undertake to produce, publish and distribute the register. The material has been compiled by Anita Breeveld and Dennis Alexander from the Black Dance Circuit. Over the last 5 months they have collected information on black dance companies based in Europe and Britain; list of suitable venues in London for performances and workshops; and list of people with skills in creative and management side of dance. The register once published should prove to be an invaluable resource.

I welcome the commitment shown by the Black Dance Forum to not only publish this register, but to continue the work of the Black Dance Circuit. A sum of £6,812 is available to the Black Dance Forum to cover the costs of fees to Anita and Dennis; print and publication and distribution costs. I have provided a breakdown of how I think the above money can be allocated.

Once again thank you for undertaking this very important activity and I look forward to the next Black Dance Circuit.

Best wishes
