TARA ARTS CENTRE

Britain's first Asian Arts Centre – was opened in September 1983; to establish a focus for Asian Arts activity throughout the country.

The CENTRE offers training in a wide range of Asian Arts; hosts recitals and addresses by eminent Asian artists; and offers community groups its facilities, in order to expose their creative expressions to a wider public. All the CENTRE'S activities are open to all sections of the public. It is **your CENTRE!**

RENOVATION

Located in South London (7 minutes from Waterloo, by British Rail).

TARA ARTS CENTRE has been undergoing extensive renovations since August 1984. This programme has been funded in the main by the GLC; and it is expected to reach completion in January 1985. On completion of renovations, the CENTRE'S theatre (studio) facilities will be able to house audiences of up to 75; and, simultaneously, offer space for workshops and meetings of up to 25 people. Exhibition of Asian visual arts will also complement Asian performance art in the theatre (studio) space.

YOU CAN HELP

The complete renovations programme is costing £80,000. The GLC has contributed up to two-thirds of the costs of this programme.

HELP US raise the remaining £30,000 for your Centre! – By donating as little as £5 per month!!!

HOW?

Either by cheque or Bankers Order payable to "TARA ARTS GROUP (Centre Fund)"; or, if you wish to pay lower tax, by Deed of Covenant.

DEED OF COVENANT

Say you decide to donate £240 for the CENTRE. Spread over 4 years, you will benefit by being able to set this sum against your taxable income. The CENTRE will benefit by also claiming from Inland Revenue any standard rate income tax you have paid on your contributions. Thus, a donation by you of £240 spread over 4 years, will mean, for the CENTRE, a net donation of £340! What better way to **donate on the cheap?! – For companies your covenant will be allowable against corporation tax.**
