CLUB MIX

AT RIVERSIDE 15 - 19 July 7.30pm

(By arrangement with LWT & Channel 4)

Riverside Studios will be presenting, live on stage, five nights of Club Mix, as seen recently on LWT. Discover the best in jazz, poetry, reggae, rap, soul, comedy and dance **before** it hits your screens.

Club Mix will be hosted each night by vibrant new compere, **Pretty Boy Wayne**, along with Club Mix's infamous **Shift n' Zed**.

The line-up of guests will change over the week and includes:

Tuesday and Wednesday 15 & 16 July

The Banana Boat Company - locally based in Hammersmith, present their new review. The look of this new young band was inspired by Julien Temple's film **Absolute Beginners**, based on Colin McInnes' novel. But where **Absolute Beginners** ends **The Banana Boat Company** begins...

Plus cool jazz from **Alumni**, featuring Alan Weeks on guitar and the inimitable vocals of Cleveland Watkiss. **The Dynamic 3**, London's renowned 'socio-political' rappers and **Shikisha** who will be dancing and chanting traditional Zulu sequences.
